Only full members are eligible to compete but anyone may attend the Apprenticeship program.

TSI maintains a library that includes:

- Reference materials
(books on directing, stage managing, and more)

Full members can have 12 items out at once whereas Associate members can only have 6 items.

Upon receipt of your library order, we will fill and mail it to you with a return shipping label: all this is at no cost!

Items are loaned out for approximately one month at a time.

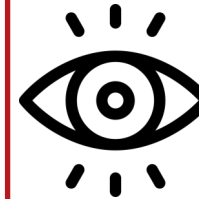

If we don't have a script you are looking for, you can ask us to order it for inclusion into our library.
